Updated as of 6/7/2019

Dear Friends of Kemmerling Pool:

A diagnostic company was able to locate a substantial leak in our surge tank. We are in the process of patching the leak as the full repair will need to take place once the facility is closed in August. We will have an update by mid-week on an opening date. We thank you for your patience.

The Oasis (170 S Circle Ave, Bloomingdale)

Pass holders can continue to use The Oasis in Bloomingdale during the month of June until Kemmerling Pool reopens. Pass Holders will need to show their pool pass and photo id to admissions staff for entry. If you are a Roselle resident and want to pay the daily admission rate, you will be charged the resident admission rate by showing your photo id proving Roselle residency. The Oasis is now open, and their hours are 11:30am-7pm.

As for our Racer Families, communication will continue from coaches and the racer board on swim practices and meets.

We are committed to providing this service to the community and are working hard to get this corrected as quickly as possible. We understand that as the weather improves having the facility open is critical for the community. It is our priority to get the facility opened for the public without compromising safety and being mindful of overall costs of the repair.

We appreciate your patience and understanding, we hope to have a resolution in the upcoming week.

If you should have any questions or concerns regarding the issue, please feel free to contact any of the staff below at 630-894-4200 or at the below listed email addresses:

Lynn McAteer, Director
